

The Only Pan-African Event for Cities and Local Governments

Since 1998, CITEXPO has provided the unique meeting place for companies, local governments, institutions and NGOs involved in meeting Africa's social and economic development challenges at a local level. Held every three years, and backed by local and national governments, the exhibition is a vital opportunity to make new contacts with political and financial decision-makers from across Africa, discuss forthcoming projects, see products and services and offer solutions.

L'Unique Événement des Villes et Collectivités Locales Africaines

Depuis 1998, Citexpo constitue le lieu de rencontre unique pour entreprises, collectivités locales, institutions et ONG travaillant à la réalisation des challenges économiques et sociaux de l'Afrique au niveau local. Se tenant tous les trois ans, et supporté par les autorités locales et gouvernements centraux, le salon est une opportunité pour développer ses contacts avec les décideurs politiques et financiers venant de toute l'Afrique, découvrir de nouveaux produits, services et projets et proposer vos solutions.
